Wednesday, September 10th

- 8:40 – 2:48- Regular school hours

Snacks / Lunches

- Snacks should be “healthy” choices that can be unpacked easily and eaten independently (i.e. raw veggies, pieces of fruit, crackers, cheese, raisins, small muffin, etc.).
- Lunches should follow similar guidelines please. Children are encouraged to have water in a labeled reusable bottle/ cup in their lunch each day rather than juice. Note that we are not able to heat lunches for children.
- Please use **re-usable LABELED food containers** as much as possible, as we send home all packaging in the student’s lunch kits.

School Supplies

- Each child is asked to have a pair of **clean velcro or slip-on running shoes that can remain at school for inside use only. Stay tuned for class communication.**
- Each child should have **a reasonably-sized backpack.** Please ensure that it is large enough to carry a lunch kit, library books, notices, extra clothing, etc. to and from school, as this will really help your child to keep their belongings organized.
- All school supplies have been organized and pre-purchased by our Parent Advisory Committee (PAC) unless families opted out. **Stay tuned for class communication for payment.**

Student Placement:

Teachers work together to create classes that are workable instructional and social groups with balance in the following areas:

Friendships	Social / emotional strengths
Behavioural needs	Opportunities to make new friendships
Cultural diversity	Intellectual strengths / academic needs

We look forward to meeting everyone. If you have any questions, please email our principal ako@saanichschools.ca or call the school office at (250) 652-3996.
